

# Frog Hollow Farm Residential Program

<https://www.thefroghollowfarm.org/>

## About Partners Creating Community

Partners Creating Community Inc., a 501(c)3 organization was established in March of 2016. PCC provides residential, agriculture, and apiary programs at Frog Hollow Farm in nearby Phoenixville, PA. PCC's other non-profit enterprises include Heart Stone Pastry, Pear Tree Coffee Roasters, and an Artisan bakery, Green Lion Breads. These enterprises produce outstanding products made fresh daily, for the greater Phoenixville community and surrounding areas. Together, these four components of PCC provide a dynamic blend of social, volunteer, and employment opportunities for individuals with Autism, intellectual disabilities, and special mental health needs, 7 days a week.

## Work With US!

Partners Creating Community is looking to hire a full-time employee and Live-in, lifesharing, co-workers to fill positions of Support Service Professional supporting people with differing abilities.

## Support Service Professional Summary

Your main function as a Support Service Professional is to support individuals in their home and community to live as independently as possible and to develop a relationship with activities that bring life-long joy, such as exercise, art, music, care of animals, community building and relationships. This is a full time, hourly position or a live-in Life sharing opportunity.

**Starting pay for hourly position is \$17.04 per/Hour**
